Early Learning (Delaware)

Last Modified on 06/25/2026 2:25 pm CDT

Tool Search: Early Learning

The Early Learning tool lists student information for programs designed to improve the health, social-emotional, and cognitive outcomes of all students from birth through third grade, in accordance with federal guidelines. The information below is specific to the state of **Delaware**.

Refer to the core Early Learning article for more information.

Early Learning Tool

Add an Early Learning record

1. Click the **New** icon. An Early Learning Detail editor displays.
2. Enter the **Start Date** (required) of the record.
3. Enter additional values as applicable for the selected student.
4. Click the **Save** icon when finished. The record displays in the Early Learning window.
5. Click the **Print Summary Report** icon to generate a PDF view of the Early Learning record(s).

- Early Learning records cannot overlap. If the student's Early Learning service changes, enter an End Date on the current record, then repeat the steps above to create a new record with a new start date that reflects the new service information.
- Early Learning data reports in the Student Early Childhood Program Associations Ed-Fi resource.

Field descriptions
