Tool Search: Early Learning

The Early Learning tool lists student information related to programs designed to improve the health, social-emotional, and cognitive outcomes of all students from birth through third grade, using federal guidelines. The information below is specific to the state of **Delaware**.

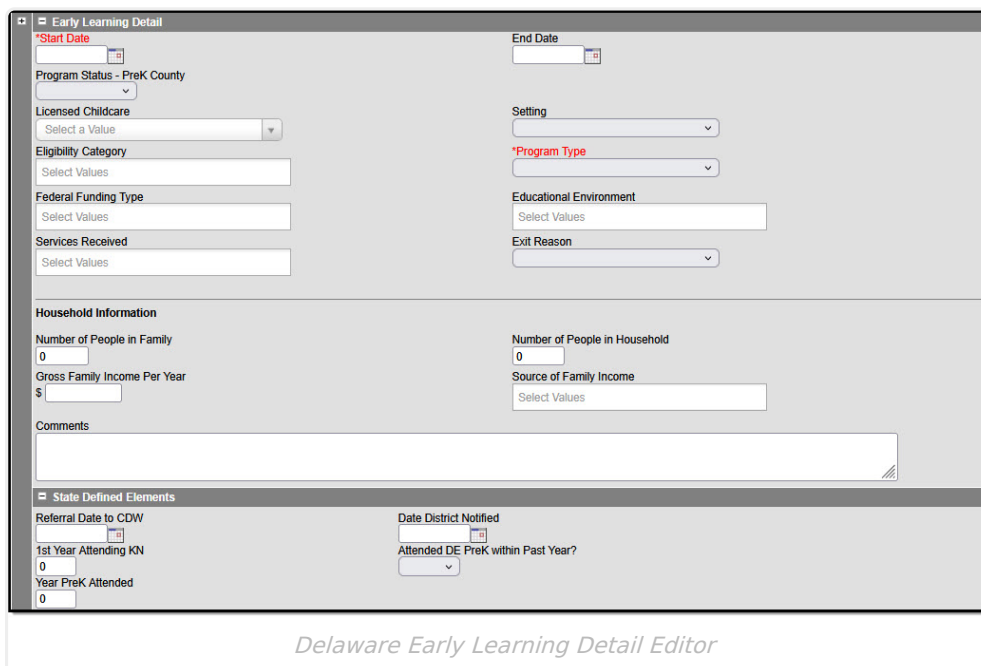

Early Learning Tool

Delaware Early Learning Detail Editor

Add an Early Learning Record

1. Click the **New** icon. An Early Learning Detail editor displays.
2. Enter the **Start Date** of the record.
3. Enter additional values as applicable for the selected student.
4. Click the **Save** icon when finished. The record displays in the Early Learning window.
5. Click the **Print Summary Report** icon to generate a PDF view of the Early Learning

record(s).

> **Early Learning records cannot overlap.** If the student's Early Learning service changes, enter an End Date on the current record and repeat the steps above to create a new record with a new start date that notes the new service information.
