Alternative Education (Georgia)

Last Modified on 09/28/2026 12:18 pm CDT

Path: Student Information > State Programs > Alternative Education

Alternative Education programs are designed to meet the needs of public school students who have not been successful in the traditional setting. Students are provided with a variety of options that can lead to graduation and are supported by services essential to success.

Students may have multiple Alternative Education records.

Georgia Alternative Education Editor

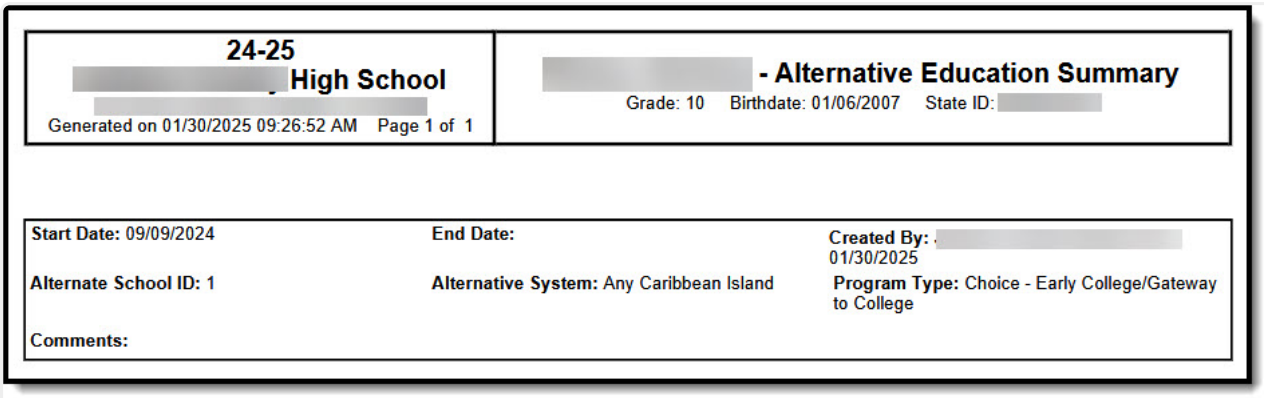

Add an Alternative Education record

Use the Federal/State Program Updater tool to import Alternative Education information to this tool.

1. Click the **New** button. An **Alternative Education Detail** editor displays.
2. Enter the applicable information for the student. This may include state or district-defined fields.
3. Click the **Save** icon when finished. The saved record displays in the Alternative Education summary.

Print Alternative Education records

A Summary Report of a student's Alternative Education records can be generated by clicking **Print Summary Report.**
