Tool Search: Alternative Education

Alternative Education programs are designed to meet the needs of public school students who have not been successful in the traditional setting. Students are provided with a variety of options that can lead to graduation and are supported by services essential to success.

Students may have multiple Alternative Education records.

Alternative Education Editor

Use the [Federal/State Program Updater](#) tool to import Alternative Education information to this tool.

## Add an Alternative Education Record

Fields in red with an asterisk are required.

1. Click the **New** button. An **Alternative Education Detail** editor displays.
2. Enter the applicable information for the student. This may include state or district defined

fields.

- Click the **Save** icon when finished. The saved record displays in the Alternative Education summary.

## Print a Summary Report of Alternative Education Records

A Summary Report of a student's Alternative Education records can be generated by clicking **Print Summary Report**.
