Career and Technical Education (CTE) (Delaware)

Last Modified on 12/14/2025 8:45 pm CST

Tool Search: Career and Technical Education (CTE)

The Career and Technical Education tool tracks student participation in CTE courses and helps monitor student progress toward completing the program. The information outlined below is specific to **Delaware** data fields. See the Career and Technical Education (CTE) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing records

Career and Technical Education data is reported in the Student CTE Program Associations Ed-Fi resource.

Program Information

Use the Program Information fields to enter information on the CTE program the student is pursuing.

Delaware CTE Program Information

Program Information Field Descriptions

Field	Description	Ad hoc Inquiries Database Location
Start Date *(Required)*	Date the student was added to the CTE Program.	Student > Learner > Career and Technical Education (CTE) > Career and Technical Education (CTE) > startDate careerTechEd.startDate
End Date	Date the student left or completed the CTE Program.	Student > Learner > Career and Technical Education (CTE) > Career and Technical Education (CTE) > endDate careerTechEd.endDate
Program Status	Indicates the status of the CTE program. • 01: Participant • 02: Concentrator • 03: Completer	Student > Learner > Career and Technical Education (CTE) > Career and Technical Education (CTE) > programStatus careerTechEd.programStatus
Program of Study	Education pathway that provides students with the academic, technical, and occupational knowledge and skills needed to prepare for careers in their areas of interest.	Student > Learner > Career and Technical Education (CTE) > Career and Technical Education (CTE) > ctepathway careerTechEd.ctepathway
Career Cluster	Represents major groupings of similar occupations and industries within the U.S. job market. Each Career Cluster provides students with an overview of career options and an understanding of the broad industry.	Student > Learner > Career and Technical Education (CTE) > Career and Technical Education (CTE) > careerCluster careerTechEd.careerCluster
Special Population	Select all that apply to the student. • 01: Non-traditional Career Preparations • 02: Single Parent • 03: Displaced Homemaker *See definitions below.*	Student > Learner > Career and Technical Education (CTE) > Career and Technical Education (CTE) > specialPopulation careerTechEd.specialPopulation
Education Facility	Location where the CTE Program is taking place.	Student > Learner > Career and Technical Education (CTE) > Career and Technical Education (CTE) > educationFacility careerTechEd.educationFacility

Hours	Number of hours associated with the student's CTE records.	Student > Learner > Career and Technical Education (CTE) > Career and Technical Education (CTE) > hours careerTechEd.hours
Comments	Additional information about the record.	Student > Learner > Career and Technical Education (CTE) > Career and Technical Education (CTE) > comments careerTechEd.comments

State Defined Elements

State-Defined Elements allow a state to determine specific fields to include in a student's CTE record.

Delaware CTE State Defined Elements

State Defined Elements Field Descriptions

Field	Description	Ad hoc Inquiries Database Location
Local Articulation	Articulation is the process of evaluating courses to determine whether coursework completed at a high school or Regional Occupational Centers and Programs (ROCP) will meet the requirements at a community college for the purpose of advanced placement or credit-by-exam units. Use the Local Articulation field to indicate if the CTE course meets these requirements. • Y: Yes • N: No	Student > Learner > Career and Technical Education (CTE) > Career and Technical Education (CTE) > localArticulation careerTechEd.localArticulation

Certificate Information

Certificate Information allows users to enter any certificates, credentials, or associate degrees earned by students through CTE programs in which they participated.

Delaware CTE Certificate Information Editor

Certificate Information Field Descriptions

Field	Description	Ad hoc Inquiries Database Location
Certificate(s)/Credentials/ Associate Degree(s)	Certificate, credential, or associate degree earned through the CTE program.	Student > Learner > Career and Technical Education (CTE) > Career and Technical Education (CTE) > CertCredentialDegree careerTechEd.CertCredentialDegree
Administered Date	Date when the certificate, credential, or degree was received.	Student > Learner > Career and Technical Education (CTE) > Career and Technical Education (CTE) > administeredDate careerTechEd.administeredDate
Credential Status	Indicates if the student has earned their credential, has failed to earn their credential, or is currently working toward earning their credential. - F: Fail - IP: In-Progress - P: Pass	Student > Learner > Career and Technical Education (CTE) > Career and Technical Education (CTE) > credentialStatus careerTechEd.credentialStatus

Other Certificate(s)/ Credentials/Associate Degree(s)	Additional information about certificates, credentials, and associate degrees.	Student > Learner > Career and Technical Education (CTE) > Career and Technical Education (CTE) > otherCertCredentialDegree careerTechEd.otherCertCredentialDegree

Organization Information

The Organization Information fields allow users to enter information on any student organizations the student is a part of that align with the CTE program in which they are enrolled.

Delaware CTE Organization Information Editor

Organization Information Field Descriptions

Field	Description	Ad hoc Inquiries Database Location
Student Organization	Student organization aligned to the CTE Program.	Student > Learner > Career and Technical Education (CTE) > Career and Technical Education (CTE) > studentOrganization careerTechEd.studentOrganization
Start Date	Date the student joined the organization.	Student > Learner > Career and Technical Education (CTE) > Career and Technical Education (CTE) > organizationStartDate careerTechEd.organizationStartDate
End Date	Date the student stopped participating in the organization.	Student > Learner > Career and Technical Education (CTE) > Career and Technical Education (CTE) > organizationEndDate careerTechEd.organizationEndDate

Student Organization Member ID	Student Organization member ID, if needed/available.	Student > Learner > Career and Technical Education (CTE) > Career and Technical Education (CTE) > studentOrganizationMemberID careerTechEd.studentOrganizationMemberID
Student Organization Charter ID	Student Organization charter ID, if needed/available.	Student > Learner > Career and Technical Education (CTE) > Career and Technical Education (CTE) > studentOrganizationCharterID careerTechEd.studentOrganizationCharterID

Special Population Definitions

Code	Description	Definition
01	Non-traditional Career Preparations	In Perkins V, non-traditional learners are defined as learners who are enrolled in CTE programs that prepare them for career fields that are non-traditional for their gender, meaning that individuals from one gender comprise less than 25% of those employed in that occupation or field.
02	Single Parent	Student is a single parent. This includes pregnant women.
03	Displaced Homemaker	Student has been caring for a home or family without remuneration and is reliant on income from another family member who is no longer available.
