

Online Registration - New Configuration Prep Checklist

Last Modified on 05/16/2024 9:13 am CDT

| Step | | Why | Campus Location | OLR Standard | OI Pr |
|------|--|---|---|--------------|-------|
| 1 | For the configuration that you will use to copy forward, review any warnings present in the OLR Information Center . If applicable, fix relevant warnings. | When you copy forward a configuration, the warnings will also be copied forward. | System Settings > Online Registration Setup > OLR Information Center | X | X |
| 2 | Create a new configuration | You can work on setting up the next configuration before rolling forward Calendars or Enrollments, so long as you do not intend to open this configuration before those items are rolled forward. | System Settings > Online Registration Setup > OLR Setup | X | X |
| 3 | If your district uses the OLR System Setting "Use School Registration Windows for Registration," you will want to update the dates for each school window. | When the configuration is rolled forward and this setting is enabled, the dated windows for each school are rolled forward as well. However, the dates do not automatically update to correlate with the new school year. Update these dates to ensure parents will see the application in the Parent Portal when they are designated. <div style="background-color: #fff9c4; padding: 10px; border: 1px solid #ccc;"> <p>An OLR Window is referencing the OLR date range the application type is open.</p> </div> | System Settings > Online Registration Setup > Registration Window By School | | X |

| | | | | | |
|-----------------|--|--|--|----------|----------|
| <p>4</p> | <p>Make appropriate changes to the OLR Fields in your new configuration.</p> | <p>New Registration Year can mean new requirements for the application. Make sure to review the application and make any changes to the fields present before the OLR Window becomes open.</p> <p>If any of the OLR Lists need to be updated, make sure that it is completed before the OLR Registration Dates are active.</p> <div data-bbox="646 808 971 1034" style="background-color: #fff9c4; padding: 5px; border: 1px solid #ccc;"> <p>An OLR Window is referencing the OLR date range the application type is open.</p> </div> | <p>System Settings > Online Registration Setup > OLR Builder</p> | <p>X</p> | <p>X</p> |
| | | | <p>System Settings > Online Registration Setup > OLR List Bank Replacer</p> | | <p>X</p> |
| <p>5</p> | <p>Review OLR Literals Bank & OLR Lists Bank</p> | <p>If you have any school year-specific text within these two areas, it would be copied forward.</p> <p>Ensure you make any wording changes in the OLR Literals Bank and/or OLR List Bank.</p> | <p>System Settings > Online Registration Setup > OLR Literals Bank</p> <p>System Settings > Online Registration Setup > OLR Lists Bank</p> | <p>X</p> | <p>X</p> |

| | | | | | |
|----|--|--|---|---|---|
| 6 | Review OLR Letters and OLR Status | <p>If you have any school year-specific text within these letters, it would have copied forward.</p> <p>Ensure the wording and content of your letters is correct for the upcoming school year.</p> <p>Make sure the correct letters are attached to the correct OLR Status.</p> | <p>Reporting > Ad Hoc Reporting > Letter Designer</p> <p>System Settings> Online Registration Setup> OLR Status</p> | X | X |
| 7 | Review OLR Notifications | Review Notification Text to ensure that if any school year text is listed it is updated. Create any new or update existing notifications as needed. | System Settings > Online Registration Setup > OLR Notification Editor | | X |
| 8 | Review the OLR Configuration List Editor | Exclusions for Grade Levels, School Enrollments, Medications, or Health Conditions from pulling on the Annual Update and exclusions to the school list are made here. Check this area to make sure all exclusions selected are intended. | System Settings > Online Registration Setup > OLR Configuration List Editor | | X |
| 9 | Create Next School Year | To complete steps 10 and 11, a School Year needs to be created. | Scheduling & Courses > Calendar Setup > School Year Setup | X | X |
| 10 | Roll Forward Calendars with the appropriate Grade Levels | For OLR to pull schools in the School List, Calendars must be created for the school year in which you intend to collect applications. | Scheduling & Courses > Calendar Setup > Calendar Wizard | X | X |

| | | | | | |
|------------------|--|---|--|----------|----------|
| <p>11</p> | <p>Roll Forward Enrollments</p> | <p>Enrollments are only required for the Annual Update. Make sure enrollments are rolled forward before the Annual Update Window opens.</p> <div style="background-color: #fff9c4; padding: 10px; border: 1px solid #ccc;"> <p>If the Portal-New Student Registration Dates are active and enrollments for students are not rolled over, students will see this application within the Student Portal.</p> </div> | <p>Student Information > General Student Administration > Enrollment Roll Forward Wizard</p> | <p>X</p> | <p>X</p> |
| <p>12</p> | <p>Set Start/End Dates for Each Application Type</p> | <p>Parents will be able to begin an application in the Portal or through the Email/Kiosk Links on or after the start date.</p> <p>If you need to test the application before opening the windows, open the Email/Kiosk Window to start an application. Once the application has been started, you can close the window and continue to find the application through Staff Processing.</p> | <p>System Settings> Online Registration Setup> OLR Setup</p> | <p>X</p> | <p>X</p> |
