

Homeless Services (Delaware)

Last Modified on 02/04/2026 12:41 pm CST

Tool Search: Homeless Services

The Homeless Services tool allows districts to create Homeless Services records that are not tied to a student's enrollment record. Access to this tool can be limited to those authorized to view it.

The state of Delaware does not currently collect information specific to the state. Please see the [Homeless Services](#) article for more information on using the Homeless Services tool.
