21st Century Community Learning Center Fields

The 21st Century Community Learning Centers (CCLC) provide academic enrichment opportunities during non-school hours for children, especially those who attend high poverty and low performing schools. This program helps students meet state and local student standards in core academic subjects and offers enrichment activities, literacy and other educational services to families.

Information provided here details how to record 21st Century information in Campus. Always follow your district's policies when adding or modifying 21st Century information.

Fields vary by state. Please see your state's State Tools articles for more information on 21st CCLC procedures in your state.

Follow local state practices for students participating in 21st CCLC programs prior to using the 21st CCLC tool to manage student participation data.
