

# Scheduling

Last Modified on 02/03/2026 8:33 am CST

Scheduling tools assist users in building schedules for the year.

Tool/Article	Description
<a href="#"><u>Calendar Information</u></a>	Calendar Details stores basic information about the calendar, including many fields which impact how the calendar is included within state reports and accountability calculations.
<a href="#"><u>Courses</u></a>	Information regarding Courses for State Editions.
<a href="#"><u>Course Completion Data</u></a>	State Editions of Campus can view course completion data for all state-linked districts.
<a href="#"><u>Course Management</u></a>	The Course Management tool allows courses to be created and managed at the state level and then pushed to district sites, providing consistent course offerings throughout the entire state.
<a href="#"><u>Section Roster Import</u></a>	The Section Roster Import allows users to import district-level student roster information into a State Edition of Campus.
