This functionality is available to districts that have purchased the Multi-Language Editor as an add-on service. For more information, contact the appropriate Client Relationship Manager.

Tool Search: Student Comments

The Student Comments Translation tool is used to generate a report of student comments in need of translation or verification.

The screenshot shows the 'Student Comments Translation' tool interface. At the top, there is a breadcrumb trail: 'Grading & Standards > Report Module Tools > Student Comments Translation'. Below this is a blue header bar with the text 'Grading Score Comments Translation'. The main content area contains several sections:

- Language:** A dropdown menu currently set to 'Spanish'.
- Term:** Four radio button options: 'Term 1', 'Term 2', 'Term 3', and 'Term 4'.
- How would you like the language to be filtered?:** Two radio button options: 'Student's Home Primary Language' (which is selected) and 'Student's Preferred Language'.
- Include:** Two radio button options: 'Students in need of translations or verifications only' (which is selected) and 'All students with comments (** Denotes Action Needed)'.

At the bottom of the form is a button labeled 'Show Student Comments'.
