## Enter/Modify Migrant Records

### General information:

- Overlapping records are not allowed.
- If a new record is added before an existing record has an end date, a warning message

displays. Enter an End Date on the existing record before adding a new record.

- If a new record is added that with a start date that is between the start and end dates of a historical record, a warning message displays. Verify the entered date on the new record is correct.

### Enter Migrant Records

1. Click the **New** icon. A **Student Migrant Detail** editor displays.
2. Enter the required **Start Date** information.
3. Enter information for the remaining fields on the editor, as appropriate for the selected student. **Migrant Indicator** is required.
4. Click the **Save** icon when finished. The new record is visible in the Migrant Editor.

### Modify Migrant Records

1. To modify a Migrant record, select it from the editor and enter the new information (end date, new comments, etc.).
2. When a student is no longer considered a Migrant student, or has stopped receiving Migrant services, edit the record and enter an **End Date**.
3. If a record was entered in error, click the **Delete** icon to completely remove it.

## Migrant Information in Ad hoc

Migrant information is available in the Query Wizard for Student Data Type filters. Fields can be selected from the **Student > Learner > Migrant** folder.

- The **Student > Learner > Migrant** fields returns data associated with the Student Migrant Detail editor.
- The **Student > Learner > Migrant > Custom\_ic\_Migrant** fields returns data associated with any district defined fields added to the Migrant toolset.

Migrant information entered on the Enrollment editor can be selected from the **Student > Learner > Active Enrollment/All Enrollment > State Reporting Elements** folder.
