Needs are reported from the State Reporting Enrollment fields, FRAM, Flags, locked IEPs and LEP Services. This resource identifies any needs that a student may need to participate in for a program.

For the 23-24 Configuration year, this resource includes Homeless and Unaccompanied Youth logic.

For the 24-25 Configuration year and future, this resource does NOT include Homeless and Unaccompanied Youth logic. Instead, that logic is included in the [Student Homeless Program Associations Resource](#).
