Last Modified on 12/14/2025 8:45 pm CST

The following provides a complete list of the resources available for Arizona v7.1 in the Recommended Resync Order.

Resyncing generates a large volume of items in the Event Queue. It is recommended to plan a resync for an off-peak time period and resync in groups of calendars rather than all calendars.

Larger districts may observe performance issues if “All Schools” is selected on a resync.
