Recommended Resync Order

Click here to expand...

Resyncing generates a large volume of items in your event queue, so it may be helpful to plan your resync for an off-peak time period and resync in groups of calendars rather than all calendars.

Users are highly encouraged NOT to select All Schools as it can cause severe system performance issues.

Keeping the 'Select Dependencies' checked, the resync steps are as follows:

#	Category
1	Schedule Information, **EXCEPT** Student Section Association and Staff Section Association
2	Staff Information and Staff Section Associations
3	Student Information and Student Section Associations
4	Attendance Information, Discipline Information, Grade Information and Parent Information in any order. **Note:** Step 4 is not required for Fall reporting.
