Recommended Resync Order

▶ [Click here to expand...](#)

Resyncing generates a large volume of items in your event queue, so it may be helpful to plan your resync for an off-peak time period and resync in groups of calendars rather than all calendars.

Keeping the 'Select Dependencies' checked, the resync steps are as follows:

#	Category
1	Schedule Information, EXCEPT Student Section Association and Staff Section Association
2	Staff Information and Staff Section Associations
3	Student Information and Student Section Associations
4	Attendance Information, Discipline Information, Grade Information and Parent Information in any order. Note: Step 4 is not required for Fall reporting.
