Recommended Resync Order

▸ Click here to expand...

> Resyncing generates a large volume of items in your event queue, so it may be helpful to plan your resync for an off-peak time period and resync in groups of calendars rather than all calendars.

> **Users are highly encouraged NOT to select All Schools as it can cause severe system performance issues.**

Keeping the 'Select Dependencies' checked, the resync steps are as follows:

#	Category
1	Schedule Information, **EXCEPT** Student Section Association and Staff Section Association
2	Staff Information and Staff Section Associations
3	Student Information and Student Section Associations
4	Attendance Information, Discipline Information, Grade Information and Parent Information in any order. **Note:** Step 4 is not required for Fall reporting.
