

Recently Removed Scheduling Tools

Last Modified on 08/23/2024 2:18 pm CDT

In the [Campus.2435 Release \(August 2024\)](#), several Scheduling tools were removed from the product. In their place, the following Scheduling tools can be used to meet your needs.

- [Scheduling Board](#)
- [Course Planner](#)
- [Staff Planner](#)
- [Requests and Rosters](#)

if you have not updated to Campus.2435, you still have access to these tools. Refer to the articles, videos, and study guides below for guidance on their use.
