Tool Search: Migrant

The Migrant tool captures information for students whose parents/guardians move frequently to find work or better living conditions. The Federal Migrant Program supports these students to succeed in their education.

The screenshot displays the 'Migrant' tool interface. At the top, it shows the student's name 'Student, Test', counselor 'Counselor, Test', and student number '000000000'. The interface includes navigation links for 'Student Information', 'Program Participation', and 'Migrant'. Below the navigation is a toolbar with 'New', 'Save', 'Delete', 'Print', and 'Documents' buttons. The main area is divided into sections: 'Migrant Editor' with a table header (Arrival Date, Expiration Date, Program Status, Created By), 'Student Migrant Detail' with various input fields like 'Last Qualifying Arrival Date', 'Eligibility Expiration Date', 'Program Status', 'MSIX ID', 'From State', 'To State', 'Migrant COE Status Indicator', 'Services Start/End Date', and 'Comments', and 'State Defined Elements' with fields for 'From City', 'To City', 'From Country', 'Residency Verification Date', 'MEP Project Type', 'Med Alert Indicator', 'Immunization Record', and 'Algebra 1 or Equivalent Indicator'.
