Tool Search: Migrant

The Migrant tool captures information for students whose parents/guardians move frequently to find work or better living conditions. The Federal Migrant Program supports these students to succeed in their education.

*Student Migrant Record*

**Read** - Access and view the Migrant tool.
**Write** - Modify existing Migrant records.
**Add** - Add new Migrant records.
**Delete** - Permanently remove Migrant records.

For more information about Tool Rights and how they function, see the [Tool Rights](#) article.

Use the [Federal/State Program Updater](#) to import existing Migrant student records or update records for multiple students.

# Enter/Modify Migrant Records

- Overlapping records are not allowed.
- When a new record is added before an existing record has an end date, a warning message displays. Enter an End Date on the existing record before adding a new record.
- When a new record is added with a start date that is between the start and end dates of a historical record, a warning message displays. Verify the entered date on the new record is correct.

## Enter Migrant Records

1. Click **New**. A **Student Migrant Detail** editor displays.
2. Enter the appropriate information for the fields in the editor.
3. Click the **Save** icon when finished. The new record is visible in the Migrant Editor.

## Modify Migrant Records

1. To modify a Migrant record, select it from the editor and enter the new information (end date, new comments, etc.).
2. When a student is no longer considered a Migrant student or has stopped receiving Migrant services, edit the record and enter an **End Date**.
3. When a record was entered in error, click the **Delete** icon to remove it completely.

# Print Migrant Summary Report

Click the **Print** icon to display a PDF of the student's Migrant records.

*Migrant Print Summary*

# Documents

To view or add documents related to the student's Migrant record, click the **Documents** button in the action bar. See the [Student Person Documents](#) article for more information.
