

Batch Program Assignment Wizard - Video

Last Modified on 12/04/2025 11:30 am CST

The Batch Program Assignment Wizard allows you to add, delete, or modify student assignments for various types of programs. This video discusses how to use this tool with each available program type and how to use filters to choose which students are included. Some of the options you see may not be available in your district.

Users will see an **Update** or **Submit to Batch** button depending on the options selected for batch program assignment.

Video timeline:

- 0:00 Graduation Program (with explanation of filter options)
 - 2:00 Academic Program
 - 3:05 Academic Program (Automated)
 - 4:12 Flag
 - 4:55 Program
 - 5:50 Program Session
