Report Population

Students report when:

- They are enrolled in the selected calendar on the Enrollment Date and are currently enrolled in the selected calendar. All enrollments end dated before the Enrollment Date are excluded.
- They are enrolled in the selected calendar on the Enrollment Date with a Service Type of P, S, or N and have a current enrollment in the selected calendar.

Students are excluded when:

- They are marked as No Show.
- They are in State Grade(s) UM, UE, and US.

Logic

Students with non-medical exemptions must be manually reviewed to confirm their susceptibility and completion status.

- Student information repeats for each student enrolled in the selected calendar on the Enrollment Date.
- A single record per student reports.
- Compliance data pulls in from the ImmComplianceStatus database table.
- The report can be run against a district's active year or prior years.
- The report generates in human-readable format (HTML).
