Crisis Event (North Carolina)

Last Modified on 10/24/2024 9:27 am CDT

Tool Search: Crisis Event

The Crisis Event tool tracks students who are enrolled or are eligible for enrollment but have temporarily or permanently enrolled in another school or district because of a crisis-related disruption in educational services. To generate a report of the student's Crisis Event records, choose Print Summary Report.

See the core Crisis Event article for information on necessary tool rights, available Ad hoc fields, and guidance on adding Crisis Event records.

Crisis Event Record

Start Date

The date on which the crisis event began.
