Tool Search: Special Education Summary

The Special Education Summary tool allows users to view student Special Ed data without having tool rights access to their Plans/Evaluations. Users can enter some data for State Reporting purposes.

This tool consists of several sections: Summary Overview, ACS, State Reporting and Data Entry, and SPED Flags.

> See the core SPED State Reporting article for information on necessary tool rights, SPED Flags functionality, and guidance on adding State Reporting or Setting records.

Special Education Summary

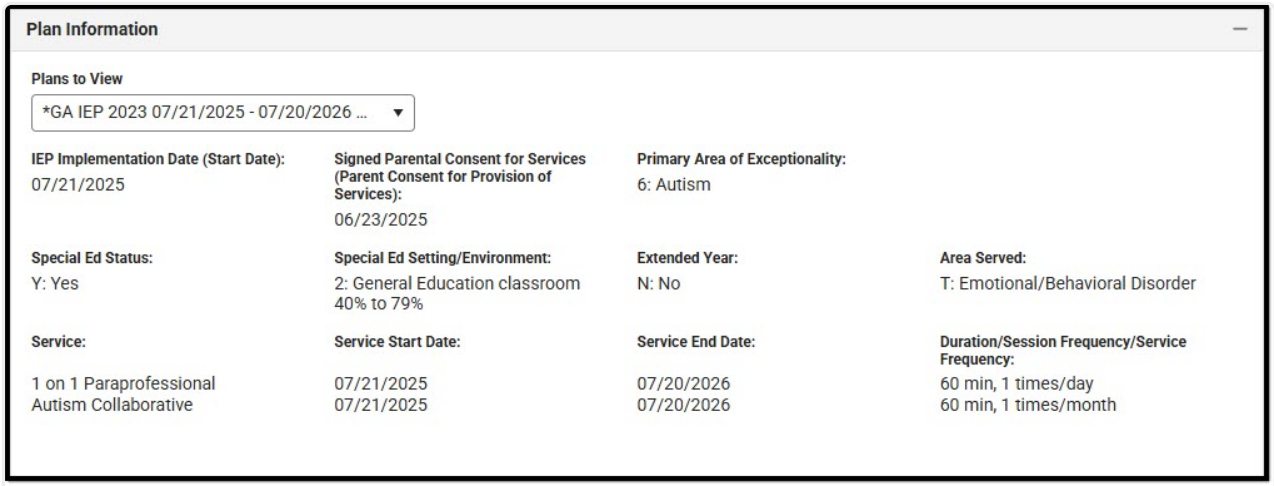

Summary Overview

Select which Plan or Evaluation to view a summary from the **Plan to View** or **Evaluation to View** dropdowns. Click the **Select** button to confirm selection.

This section is read-only. The information displayed in the Plan and Evaluation Information section is pulled from the student's Plan and Evaluation.
