Tool Search: Special Education Summary

The Special Education Summary tool allows users to view student Special Ed data without having tool rights access to their Plans/Evaluations. Users can enter some data for State Reporting purposes.

This tool consists of several sections: Summary Overview, ACS, State Reporting and Data Entry, and SPED Flags.

See the core [SPED State Reporting](#) article for information on necessary tool rights, SPED Flags functionality, and guidance on adding State Reporting or Setting records.
