

On Track (Kansas)

Last Modified on 11/14/2024 2:12 pm CST

The On Track tool tracks 9-12 grade students' progress towards graduation, with special attention to post-secondary assets. This is a new reporting requirement for the 2024-25 school year, starting with 9th grade students, and is collected in the KIDS EOYA Extract and the Student Education Organization Associations Resource.

On Track Editor

- Read** - Access and view On Track records.
- Write** - Modify existing On Track records.
- Add** - Add new On Track records.
- Delete** - Permanently remove On Track records.

For more information about Tool Rights and how they function, see the [Tool Rights](#) article.

A student may only have one active On Track record at any given time. Overlapping records are not allowed.

Use the [Federal/State Program Updater](#) to import existing On Track records for students or to update records for multiple students.

When first accessing the student's On Track records, select the School Year to narrow the list of records to just that year. Or, leave blank and select (view) the entire list of On Track records for

the student.

Main View of On Track Record

Records can also be printed from this main view. Click **Print** to generate a PDF report of the student's On Track records.

Add an On Track Record

1. Select a **School Year** from the dropdown list.
 2. Click **New** in the action bar across the bottom.
 3. Enter a **Start Date** of when the student began participation in the On Track program.
 4. Select the appropriate **Post Secondary Asset** for this student.
 5. Enter any **Comments** needed for this record, along with any District Defined Elements.
 6. Click **Save** when finished.
