DRAFT SAMPLE FOR CONTECH-133

General Tool Rights | Demographics - Person Identifiers Subrights

Most of the information that displays in the [Demographics](#) tool is created elsewhere. Tool rights determine what a user can do with that information. Examples of staff who may need to at minimum have read rights to this information might include Front Office, Health Office, Registrars, and Administrators.

General Tool Rights

Read - User can:

- Search for People and Staff and view their Person and Contact information in the Demographics tool
- Generate Person Summary and Graphics Data report
- View Documents uploaded for selected person

Write - User can save information they add or modify

Add - Activates Upload Picture link, allows user to browse to and upload a picture for the selected individual

Delete - User can delete this information if no other records are tied to it

- **The Person Identifiers, Staff Birthday and Age fields are subrights of Demographics.**
- **Related Tool Impact Alert**
 - The [Identities](#) tool is used to update information such as a student's name or gender so that a historical record of that information can be retained.
 - Changes made and saved via the Demographics tool update the most recent record in the Identities tool without creating a historical record.
 - Depending on your district's procedures, you may need to adjust rights accordingly.
