Add Person Tool and Full Access Tool Rights

## Best Practices for Add Person Tool Rights:

The Add Person tool is used to add new person records to your Campus database. It is recommended that FULL rights to the Add Person tool be assigned to staff responsible for adding individuals - students, parents/guardians, staff, non-guardians, etc.

### Full access to Add Person requires Read, Write, and Add.

Additional access to one of the following tools is needed to create and save a new person record, as follows:

- Demographics - Read, Write, Add
- Add Person - Read, Write, Add
- Food Service Account Information - Read, Write, Add, Delete
- Student Locator - Read, Write, Add

- Staff Locator - Read, Write
