

Contact Log Tool Rights

Last Modified on 01/16/2025 2:21 pm CST

[Available Tool Rights](#) | [Contact Log Tool Rights Examples](#)

The Contact Log records all instances of communication by school personnel. This communication can be with the student, their guardians, or others, and could include letters or email, phone calls, and face-to-face meetings for example.

Let us know what you think! Submit feedback for the Tool Rights Catalog by posting in the [Tool Rights Catalog](#) forum.

The screenshot shows the 'Contact Log' tool interface for a student named Marcus. It includes a table with columns for 'Contacted ...', 'Module', 'Contacted By', 'Contacted', 'Contact Type', 'Date/Time', and 'Details'. Below the table is a dropdown menu for tool rights, with 'Contact Log' selected and its 'All' checkbox checked. Other tools like 'Census', 'People', 'Add Person', and 'Demographics' are also visible with their respective rights checkboxes.

Contact Log and Tool Rights

All rights to Student Information > General > Contact Log and Census > People > Contact Log do NOT allow access to add a contact log record. It only displays the Contact Log tool, but no existing records are visible.

RWAD rights are NOT cumulative. A user who has no access subrights to Counseling, but does have RW rights to Health allows the viewing and editing of Health contact log records another user created.

Assigning access subrights WITHOUT enabling rights to the parent Contact Log module tool right automatically assume R rights for that parent right.

Available Tool Rights

Contact Log tool rights require the **ALL** checkbox to be marked for Census > People > Contact Log

and/or Student Information > General > Contact Log.

Contact Log ALL Rights

Read, Write, Add, and Delete rights (when applicable) to the separate Contact Log tools also need to be assigned.

- Student Information > Counseling > **Counseling Contact Log**
- Student Information > Health > **Health Contact Log**
- Student Information > PLP > **PLP Contact Log**
- Student Information > Response to Intervention > **RTI Contact Log**
- Student Information > Special Ed > **Special Ed Contact Log**

Contact Log Tool Rights, Subrights

The subright **Access to Records Created by Other Users** for the appropriate Contact Log tool - Counseling, Health, PLP, RTI, Special Education - is also available. This subright allows the user to view or edit contact log records another user created within a module (Counseling, Health, etc.).
