

ID History Tool Rights

Last Modified on 02/13/2025 3:31 pm CST

The **ID History** tool is a read-only view of a person's ID history. **Users only need Read rights to view the data displayed in this tool.**

To learn how to use this tool, see the [ID History](#) article.

Let us know what you think! Submit feedback for the Tool Rights Catalog by posting in the [Tool Rights Catalog](#) forum.
