

Relationships Tool Rights

Last Modified on 03/28/2025 2:46 pm CDT

Relationships are used to establish how two people are connected to each other.

The Relationships tool can be used to:

- View or update existing relationships within a student's household(s)
- View or update existing non-household relationships
- Establish a new non-household relationship

To learn how to use this tool, see the [Relationships](#) article.

Let us know what you think! Submit feedback for the Tool Rights Catalog by posting in the [Tool Rights Catalog](#) forum.
