Enrollments (Kentucky)

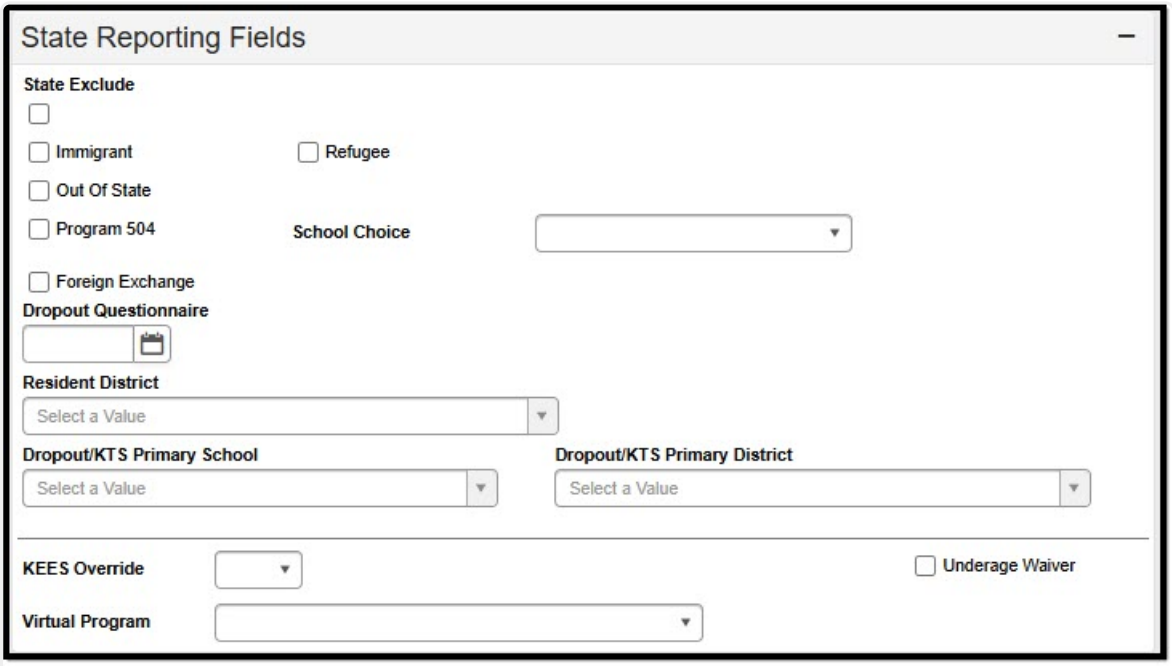

Last Modified on 09/21/2026 10:55 am CDT

Path: Student Information > General > Enrollments

The Enrollments tool displays all current and historical occurrences of a student's enrollment in a district. By default, enrollment records are first listed by grade level and then by enrollment start date. The list of enrollments can be sorted by Grade, Calendar, Start Date, or End Date.

See the core Enrollments article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Enrollment records.

State Reporting Fields

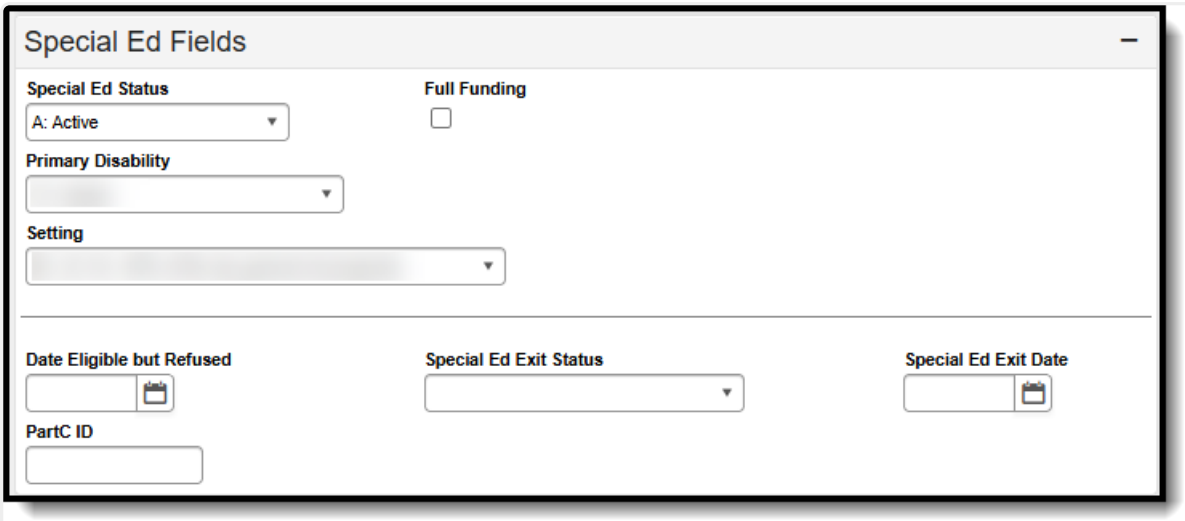

The State Reporting Fields section of the Kentucky Enrollments tool.
