

# Programs (Student) Tool Rights

Last Modified on 12/14/2025 8:45 pm CST

The **Programs** tool in Student Information > General and in Census > People are related tools that display similar information. Districts define what a Program is and how it's structured.

Note that programs entered for a student in Student Information > General > Programs will be accessible in Census > People > Programs for users who have [tool rights](#) allowing this access.

See the [Programs](#) article to learn more about this tool.

Student Information > General > Programs - R with RWA subrights

Be aware that restricting rights in Student Information > General > Programs does not automatically apply those restrictions to Census > People > Programs for those with rights to both tools.

### Student Information > General > Programs: R (no subrights)

- Can use Person, Student and Staff Search

- Can see all program information for all people, including students, including Programs With Sessions and State Reported Sessions in Census > People > Programs
- Cannot see Programs With Sessions or State Programs for the same person in Student Info > General when subrights are not selected.
