

Programs (Student Information) Tool Rights

Last Modified on 05/20/2026 11:03 am CDT

The **Programs** tool in Student Information > General and in Census > People are related tools that display similar information. Districts define what a Program is and how it's structured.

Note that programs entered for a student in Student Information > General > Programs will be accessible in Census > People > Programs for users who have [tool rights](#) allowing this access.

See the [Programs](#) article to learn more about this tool.

Comments:

Only students can be assigned to a Program in Student Information > General.

Users require additional rights to view programs that are marked as State Reporting or are designated to allow Program Sessions.

- **Read** - View Program records.
- **Write** - Edit existing Program records.
- **Add** - Add a new Program record.
- **Delete** - Delete a Program record.

Subrights: Subrights are inherited. In the example below, giving Read rights to State Reporting and Program Sessions allows the W/A/D rights to be inherited from the top level.

Student Information > General > Programs - R with RWA subrights

Be aware that restricting rights in Student Information > General > Programs does not automatically apply those restrictions to Census > People > Programs for those with rights to both tools.

Student Information > General > Programs: R (no subrights)

- Can use Person, Student and Staff Search

- Can see all program information for all people, including students, including Programs With Sessions and State Reported Sessions in Census > People > Programs
- Cannot see Programs With Sessions or State Programs for the same person in Student Info > General when subrights are not selected.
