The screenshot displays the 'School Boundaries' tool interface. At the top, the breadcrumb navigation is 'Census > Addresses > School Boundaries'. Below this, the address '2215 141st LN NW' is shown with a 'View in Google Maps' link. The interface includes 'New', 'Save', and 'Delete' buttons. A 'School Boundary Editor' table lists schools: Arthur Elementary, Fillmore Middle School, and Harrison High. Below the table is a 'School Boundary Info' form with fields for 'School' (Harrison High), 'Start Date', 'End Date', and a 'Resides' checkbox. A 'Related Tools' dropdown menu is open, showing options: Add Address, Address Information, Related Households, School Boundaries (highlighted), and School Boundaries Override. At the bottom, a permissions bar for 'School Boundaries' shows checked boxes for All, Read, Write, Add, and Delete. The breadcrumb 'Census > Addresses > School Boundaries' is repeated at the bottom of the interface.
