

Credentials Tool Rights

Last Modified on 11/07/2025 11:46 am CST

The **Credentials** tool is used to document credentials held by staff. Options are configured in Campus according to district or state guidelines and reporting needs.

See the **Credentials** article to learn more about this tool.

Available Tool Rights

R	w	A	D
View existing credential information.	Edit existing credential information.	Add new credential information.	Delete credential information.
