

District Employment Tool Rights

Last Modified on 11/07/2025 12:00 pm CST

Users responsible for recording when employees begin and end their employment in a district need **District Employment** tool rights.

See the <u>District Employment</u> article to learn more about this tool.

Available Tool Rights

R	w	A	D
Access and view District Employment information.	Edit existing District Employment information.	Add new District Employment records for staff.	Permanently delete a District Employment record (as long as no District Assignments are tied to it).

Suggested User Groups

- Front Office Staff
- <u>Principals</u>
- <u>Schedulers</u>
- Registrars
- <u>Transportation</u>

See <u>User Groups and Suggested Roles</u> for more information.
