

Staff Planner Tool Rights

Last Modified on 12/14/2025 8:45 pm CST

The Staff Planner is used to set restrictions for teachers regarding:

- Courses they're allowed to teach
- Periods during the day when they can/cannot teach
- Rooms they can teach in
- Number of sections they can teach

See the [Staff Planner](#) article to learn how to use this tool.

Staff Planner ☆ Scheduling & Courses > Scheduling > Staff Planner
