

Activity Proposal Processes

Last Modified on 01/21/2025 1:10 pm CST

Preapproval Process

The preapproval process is the process in Activity Registration that requires activity owners to request approval before an activity can finish being created and/or is made available for registration in the School Store. The specific rules that trigger the preapproval process and the forms that the activity owner must complete and route to internal approvers are defined in the [Preapproval Configuration](#) tool.

Activity Proposal Workflow

The following chart provides the basic process a proposed activity goes through in Campus.
