Field	Description
Enable Waitlist	When this setting is activated, it will create a waitlist for students to join once the activity's inventory reaches zero. The "Add to Cart" button will then change to "Join Waitlist." Activity staff will manage the waitlist by either granting spots or removing students as necessary.
Waitlist Close Date	The final date students can join a waitlist prior to registration closing.
Waitlist Notifications	Custom notifications for guardians and students will be sent based on a student's approval status, removal, or if registration has closed for an activity with a waitlist.
Delete Incomplete Registrations	When turned on, this setting will automatically delete activity registrations on the day after an activity ends if those registrations have been started without completing the purchase and the student never participated in the activity.

Step 2 - Build Roster

If a "Preapproval is required..." banner appears at the top of the Activity Builder, the activity must be pre-approved. See [Preapproval Configuration](#) and [Preapproval Requests](#) for details.

Define eligible participants by selecting a saved Ad Hoc filter.

Use the following field descriptions to complete the Build Roster screen.

Field	Description
School(s)	This field displays the school(s) that were selected in Step 1 - Create Activity.
Ad Hoc Filter	The Ad Hoc filter for selecting eligible students. Campus only allows students who are included in the Ad Hoc filter and have an active enrollment in the school(s) associated with the activity to register for the activity. <i>This is a required field.</i>
Preview	<p>Click this button to preview roster information in a side panel. The panel displays an estimate of the total number of students listed by school then provides the student's names. If a student has multiple enrollments and Campus cannot identify the primary enrollment, an asterisk (*) displays behind the student's name.</p> <p>Use the Preview Future Enrollments checkbox to allow you to see who would be included if you choose to enable Include Future Enrollments under Eligibility on step 4 of the builder. Students with an applicable future enrollment will be added to the preview if their enrollment falls within the Days from Registration Close Date. These students will display with the status of Future. To refresh the preview with updated results, click Generate.</p> <div style="border: 1px solid #ccc; padding: 10px; margin: 10px 0; background-color: #f9f9f9;"> <p>IF your district includes a school in its Ad hoc filter, verify the same school is selected on Step 1 - Create Activity. If the Ad hoc filter and the activity are associated with different schools, the Preview displays irregular results.</p> </div> <div style="border: 1px solid #ccc; padding: 10px; margin: 10px 0; background-color: #fff9c4;"> <p>If you do not have access to the ad hoc filter that is assigned to the activity, the Preview button does not display.</p> </div> <div style="border: 1px solid #ccc; padding: 10px; margin: 10px 0;">  <p>The screenshot shows the 'Activity Builder - Film Club' interface. On the left, under 'Build Roster', the 'Preview' button is highlighted with a red box. A red arrow points from this button to the 'Preview Participants' panel on the right. The 'Preview Participants' panel shows the 'Ad Hoc Filter' set to 'All High School Students', the 'Preview Future Enrollments' checkbox is unchecked, and the 'Estimated Total' is 954. A list of students is displayed, including Abegg, Dylan, V. (#171900001), [M]; Abegg, Wallace, D. (#181900002), [M]; Alborough, Dallas. (#109301), [M]; Anderson, Jack, A. Soccer club is for students who want to play more than just the regular season or students who are new to the sport.

Use the following field descriptions to complete the Link to Portal screen.

Field	Description
Category Information	
Category	Categories are how similar products are grouped together in the store. When a portal user selects a category, only the products assigned to that category display. <i>This is a required field.</i> See the Categories (School Store) article for more information about managing categories.
Product Information	
Product Name	The name that displays in the store. <i>This is a required field.</i>

Field	Description				
Product Type	<p>Product Types are assigned to products and to Fund Accounts. When a product is purchased, funds are deposited into the bank associated with the Fund Account that is assigned to the same Product Type. Product Types are set up in the School Store: <i>System Administration > School Store > Product Types</i>.</p> <p><i>This is a required field.</i></p>				
Active	<p>When this checkbox is marked, the product displays on the School Store. However, if this checkbox is not marked, the product is not available even if registration is currently open. This checkbox is most useful for troubleshooting issues in the School Store. If the Category associated to the activity is inactivated, this checkbox is automatically unmarked.</p> <div data-bbox="432 703 1423 831" style="background-color: #fff9c4; padding: 5px; border: 1px solid #ccc;"> <p>The Active checkbox does NOT display when the Activity is in a Draft or Cancelled status.</p> </div> <p>▶ Click here to expand...</p> <div data-bbox="432 943 1136 1424" style="border: 1px solid #ccc; padding: 10px;"> <p>Category Information</p> <p>Categories Athletics (Willmar Senior High)</p> <p>Product Information</p> <table border="0" style="width: 100%;"> <tr> <td style="width: 60%;">Product Name</td> <td>Product Type</td> </tr> <tr> <td>LaCrosse Club</td> <td>Athletics</td> </tr> </table> <p>Active <input checked="" type="checkbox"/></p> <p>Restrict to Associated School Enrollments <input checked="" type="checkbox"/></p> </div>	Product Name	Product Type	LaCrosse Club	Athletics

You could also provide special instructions such as how to turn in the forms.</p> </div>				
Customer Comments	<p>When this checkbox is marked, customers can add information to their purchase before they check out.</p>				
Eligibility					

Field	Description
Restrict to Associated School Enrollments	<p>When this checkbox is marked, the Recipient dropdown list will only display students who have an enrollment in the active school year at the school to which the activity is attached. This includes primary, secondary, and enrollments with a future end date.</p> <p>Example If you have an Activity attached to the High School only and this checkbox is marked, parents will only be able to select their student(s) with primary and secondary High School enrollments in the active school year as well as enrollments with a future end date. Please note that if the same Activity is associated with multiple schools; e.g., a middle school and a high school, parents can select both middle and high school students in both stores.</p>
Include Future Enrollments	<p>When this checkbox is marked, this will allow users to look ahead for future enrolled students that also meet the criteria of the Ad Hoc filter from Step 2.</p> <div style="background-color: #e1f5fe; padding: 10px; border: 1px solid #cfe2f3;"> <p>Restrict to Associated School Enrollments must be selected to use Include Future Enrollments.</p> </div>
Days from Registration End Date	<p>The number of days (between 1 and 365) into the future that enrollments can be viewed.</p>
Associated Costs	
Track Limits	<p>Mark this checkbox if you want to track the number of openings or items you have available or if you want to cap the number of students allowed to enroll. When this checkbox is marked, Campus calculates the amount of inventory you have available after a purchase is made through the School Store. Marking this checkbox enables the Inventory Limit field and makes it required.</p> <p>Do NOT mark this checkbox if you do not want to limit the number of registrations that can be sold.</p> <div style="background-color: #e1f5fe; padding: 10px; border: 1px solid #cfe2f3;"> <p>This will be automatically checked when Enable Waitlist has been selected in Step 1 and cannot be turned off until Enable Waitlist has been disabled. View Manage Activity Waitlists for more information.</p> </div>
Partial Refunds	<p>When this checkbox is marked, partial refunds can be issued in the Payments Reporter for the activity. If this Partial Refunds checkbox is marked and the Track Limits option is also selected, the Payments Reporter will allow you to increase the number of available openings or items when you make a partial refund.</p>

Submit an Activity Request for Preapproval

If your activity requires preapproval before it can be created, a yellow banner displays under the progress tracker after *Step 1. Create Activity* or it displays on the Proposed tab with the status

Preapproval Required - Proposal. You can submit your activity request for preapproval at any time but the activity must be approved before you can complete [Step 5. Finish](#).

1. Click the **Preapproval** link in the banner.

Result: The Preapproval panel displays.

▶ [Click here to expand...](#)

2. Click the links for the **Preapproval Form(s)** (there may be more than one), fill in the required fields, and then click **Save** in the action bar. Repeat this step for each form.

Result: The status changes to **Pending**.

3. Click **Submit**.

Result: The form status changes to **Submitted** and the **Submit** button changes to **Rescind**.

4. Click **Close** to close the panel and return to the activity.

Result: The activity status changes to **Preapproval Pending - Proposal**. You can continue setting up your activity or click **Cancel**. Campus saves your activity and changes color the color of the forms alert based on the preapproval status.

If your activity request is...	Then...

If your activity request is...	Then...
Approved	you will receive a notification that your activity request was approved and you may complete Step 5. Finish. The Activity Proposal is also assigned the <i>Preapproval Complete - Proposal</i> status.
Returned	you will receive a notification that your activity request was returned. The activity request is assigned the <i>Preapproval Returned - Proposal</i> status and Campus unlocks the custom form(s) so that you can make changes and submit the activity request again for preapproval.
Declined	you will receive a notification that your activity request was declined. The activity request is assigned the <i>Preapproval Declined</i> status and moved to the Previous tab in the Activity Monitor.
