## Removing Students from Activity

When removing students, comments explaining why they have been removed must be added. After a student has been removed, they can be viewed within the Removed Students List.

Removing someone from the Activity who already has an approved upload will not delete that document from the post location.

If needed, download or print a copy of the student's forms by clicking Print prior to removing them from the activity roster. After the student is removed, all forms will be deleted.

1. Click the **Roster** button on the activity.
2. Mark the checkbox in the **Select** column for the student(s) you want to remove.

	Select	Student	Student Grade	Payment Status
		<input type="text"/>		
+		Baum, Mary (#161900001) 	11	<a href="#">PARTIAL REFUND</a>
+		Cressman, Lorie (#767) 	10	<a href="#">PAID</a>
+	<input checked="" type="checkbox"/>	Cullen, Paris (#109428) 	10	<a href="#">REFUND</a>
+		Story, Hunter (#15450002) 	10	<a href="#">PAID</a>

3. Click the **Remove** button. The Remove confirmation box will appear.

6. Click **Save** to save your changes.

Registration fees may be refunded as needed. See [Refund Activity Payments](#).

## Transfer Student Activities and

# Activity Purchase Options

Transfers cannot be started from a Field Trip. Students can be moved between Activities and Athletics options.

Document Uploads cannot be transferred.

The Transfer option allows activities staff to move students to other activities or change to a different registration purchase option if needed. If the registration was paid for online using a credit/debit card or eCheck transaction, any refund must be made in the Payments Reporter. If a student transfers to a higher-cost purchase option, the difference can be paid in cash or by check. Transferred Students will appear under the View Removed button of the original activity with the Transferred label, in the Roster Payments Export, and within Ad Hoc.

Funds from the originating activity are recorded as CASH withdrawals and then deposited in the destination activity as CASH (regardless of the original payment method).

Only Students with a Payment Status of "PAID" are eligible to be transferred. When someone who has an online payment is transferred, the original online payment becomes nonrefundable in the Payments Reporter tool.

The screenshot shows the registration interface with the following data:

## Viewing Removed Students List

Students who have been removed from an Activity Roster can be viewed in the Removed Students List by clicking the View Removed button. This button will only appear within an Activity Roster if at least one student has been removed. If the activity is still open for registrations and the student is eligible, they can be added back to the Activity and will no longer appear in the Removed Students List.

This list can be exported in a .xlsx file. The file contains the student's name, when they were deleted, who they were deleted by, and the required comments added when they were deleted.

The screenshot shows the 'Activity Monitor' interface for 'Film Club'. At the top, there are summary statistics: 4 Total Students, 1 Payment Complete, and 2 Form Complete. Below these are several toggle switches for 'Auto Form Lock', 'Registration Confirmation Process', and 'Expand Details', all currently set to 'OFF'. There is also a 'Post to Course Section' dropdown menu set to 'Do Not Post to Course Section'.

The main area contains a table with the following columns: Select, Student, Student Grade, Payment Status, Required Forms Complete, Registration Confirmed, and Option Purchased. The table lists four students:

Select	Student	Student Grade	Payment Status	Required Forms Complete	Registration Confirmed	Option Purchased
<input type="checkbox"/>	Abegg, Dylan (#171900001)	11	PAID	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Film Club
<input type="checkbox"/>	Baum, Mary (#161900001)	11	PARTIAL REFUND	<input type="checkbox"/>	<input type="checkbox"/>	Select Purchase Details
<input type="checkbox"/>	Crane, Pani (#109197)	10		<input type="checkbox"/>	<input type="checkbox"/>	Select Purchase Details
<input type="checkbox"/>	Cullen, Paris (#109428)	10	REFUND	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Select Purchase Details

At the bottom of the interface, there is a navigation bar with buttons for 'Save', 'Save & Stay', 'Cancel', 'Export', and 'View Removed'. The 'View Removed' button is highlighted with a red box.

1. Click **View Removed**.
2. Click **Export** to download the .xlsx file.
