The following are suggested tool rights for Walk-In Schedulers, e.g., staff who are responsible for manually adjusting student schedules. This task might be assigned to guidance counselors or those who register new students. Your Walk-In Schedulers may need more tool rights or less tool rights depending on their actual job duties. Start with this list and modify rights to meet your school or district needs.

Let us know what you think! Submit feedback for the Tool Rights Catalog by posting in the [Tool Rights Catalog](#) forum.
