The P-EBT Extract (Pandemic-Electronic Benefit Transfer) extracts state-defined P-EBT data. P-EBT is available to families who qualify to receive Pandemic EBT food aid.

**P-EBT Extract**

This tool will extract data to complete the TX State-defined P-EBT reporting extract. An Ad Hoc Filter is required in order to restrict the report population - no selection will return results of ALL enrolled students within the selected calendar(s).

- 1 record per student with an enrollment at any point in the reporting period for the selected calendar(s) reports
  - If a student has more than one Primary enrollment, the enrollment with the highest Enrollment ID reports.
- For Parent/Guardian and Address fields:
  - Report will determine Primary current Household first then:
    - Report current address from that Household
    - Report Parent as the Guardian in that Household with the lowest personID

## Exclude:

- Any student marked as Exclude
- Any calendars marked as Exclude
- Any student that has been marked as No Show
