Report Population Logic

▸ Click here to expand...

- 1 record per student with an enrollment at any point in the reporting period for the selected calendar(s) reports
  - If a student has more than one Primary enrollment, the enrollment with the highest Enrollment ID reports.
- For Parent/Guardian and Address fields:
  - Report will determine Primary current Household first then:
    - Report current address from that Household
    - Report Parent as the Guardian in that Household with the lowest personID

Exclude:
- Any student marked as Exclude
- Any calendars marked as Exclude
- Any student that has been marked as No Show

Report Editor

Field	Description
Report Legal Name	If checked, the following fields will report from the Legal Name fields in Census when applicable: Student First Name, Student Last Name, Parent First Name, and Parent Last Name
Ad Hoc Filter	Select an Ad Hoc filter to limit report results to those that meet filter requirements. **An Ad hoc filter must be selected to restrict the report population.**
Format	- CSV - HTML
File Number	Enter a user-defined file number. File numbers must be unique to each file.
Report Generation	The report can be marked to generate immediately using the **Generate Extract** button or can be marked to generate at a later time using the **Submit to Batch** button. See the Batch Queue article for additional guidance.
