

School Year Setup Tool Rights

Last Modified on 04/01/2025 10:09 am CDT

The **School Year Setup** tool is used by staff who are responsible for defining calendar information to set parameters for each school year, including the start and end date of the school year and how school minutes will be handled.

To learn how to use this tool, see the [School Year Setup](#) article.

School Year Setup ☆ Scheduling & Courses > Calendar Setup > School Year Setup Related Tools ^
