

Grade Level Setup Tool Rights

Last Modified on 12/23/2025 7:19 am CST

The **Grade Level Setup** tool is used to define grade levels to which students at a school are assigned and assign parameters or exclusions as appropriate. A limited number of staff may need access to this tool.

See the [Grade Level Setup](#) article to learn how to use this tool.

Grade Level Setup

Available Tool Rights

R	W	A	D
Access and view grade level detail information.	Modify and save changes to existing grade level detail records.	Add a new grade level detail record.	Delete a grade level detail record.
