# Calendar Override Setup Tool Rights

Last Modified on 12/14/2025 8:45 pm CST

The **Calendar Override Setup** tool is used to assign overrides (defined at the District level with the School Boundaries Override Setup tool) to the selected Calendar.

See the Calendar Override Setup article to learn about this tool.

Scheduling & Courses > Calendar Setup > Calendar Override Setup

Available Tool Rights

R	W	A	D
Access and view the available overrides.	Select an existing override and change it to another item.	Select and save a new Override.	Delete an override.
