

# Responsive Schedule Designer Tool Rights

Last Modified on 02/07/2025 11:15 am CST

The **Responsive Schedule Designer** defines when teachers and students have access to the offerings in a Responsive Schedule.

Responsive Scheduling allows schools to flexibly schedule special focused instruction time. This affects all areas of a school. Review the [Responsive Scheduling](#) articles to learn more about the planning and setup needed to accommodate Responsive Scheduling.

To learn how to use the Responsive Schedule Designer tool, see the [Responsive Schedule Designer](#) article.

This tool allows the user to create Responsive Schedules. The Responsive Schedule Detail section allows the user to define when teachers and students will have access to a Responsive Schedule and when students should be notified of their participation in an Offering for this Responsive Schedule. The Responsive Schedule Placement section allows the user to control when a Responsive Schedule will occur. The Responsive Course section allows the user to select the course(s) that will be available to the Responsive Schedule and when they are available.
