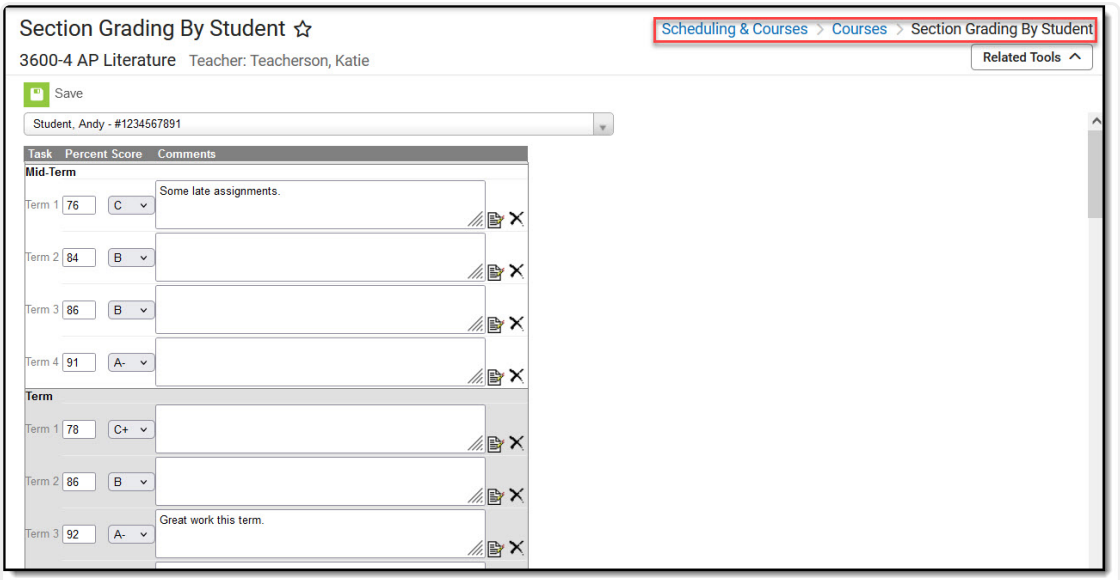
Section Grading By Student Tool Rights

Last Modified on 12/14/2025 8:45 pm CST

Section Grading By Students allows staff other than teachers to enter or amend grades and comments for students in a section, for example when a teacher is unable to post grades or corrections need to be made after grades have been posted and the grading window closed.

See the Section Grading By Students article to learn how this tool is used.



Scheduling & Courses > Courses > Section Grading By Student

Available Tool Rights

R	W	A	D
Select students in a section and view their grades.	Edit existing grades for a student.	Add new grades for a student.	Delete entered grades for a student.
