

## **Course Assessments Tool Rights**

Last Modified on 12/01/2025 11:43 am CST

**Courses Assessments** lists the assessments that are associated with a course. These can be standard tests, district tests or tests that the teacher scores. A teacher-scored test is determined by the Test Structure.

See the Course Assessments article for details on adding courses.

At least **Read** rights to <u>Section Information</u> are needed to view Course Assessments.
