# Course Assessments Tool Rights

Last Modified on 12/14/2025 8:45 pm CST

**Courses Assessments** lists the assessments that are associated with a course. These can be standard tests, district tests or tests that the teacher scores. A teacher-scored test is determined by the Test Structure.

> See the Course Assessments article for details on adding courses.

*Course Assessments*

> At least **Read** rights to Section Information are needed to view Course Assessments.
